

Delta Dental Adds Vision Discount

Effective March 1, 2005, your Delta Dental ID card will allow you to receive a vision discount from many local vision outlets. In conjunction with EyeMed Vision Care, this value-added benefit is no additional cost to you.

EyeMed Vision Care's network includes both private practice providers and some of the nation's top optical retail stores, including:

- LensCrafters
- Pearle Vision (most locations)
- Target Optical
- Sears Optical

A link to a complete listing of local vision care providers may be found at <http://www.eyemedvisioncare.com/deltadental>. Or call EyeMed's Customer Care Center at 866-246-9041. Your new benefit will give you 30% off retail price of frames, discounts on lens options (such as UV coating or tints) and 15% off conventional contact lenses. There's even a 15% off retail price of LASIK or PRK surgery.

This is a great new benefit, one that doesn't require any work from you. Delta Dental – giving you more reasons to smile.
